

Dear Community Partner,

The M.O.R.G.A.N. Project would like to invite you to participate in our upcoming fundraiser “16th Annual Turtle Splash” on May 1, 2021 and help us continue to champion for children with disabilities in our community. Due to the ongoing pandemic, our FUN plastic turtle race will be taking place virtually, and will be broadcast LIVE on Facebook. Your partnership will reach an unlimited audience with recognition on our website, promotional advertising, weekly social media blasts, and the LIVE race-day broadcast.

We would be honored to have you join us as a Featured Partner for our event this year by donating \$100 or more toward our prize packages and be showcased for your generosity! Partner levels and benefits are listed on the back of this letter.

The M.O.R.G.A.N. Project’s mission is to champion the quality of life for children with disabilities by equipping their families with the tools and resources that they need. Your participation will no doubt have a positive impact on the success of our programs in providing support to the families that we serve!

We are extremely grateful for the generous support of individuals and businesses in our community who support our charitable organization’s efforts to help these children, and we always make every effort to promote our supporters in the community.

Please feel free to contact me directly if you need anything else in order to consider this request for a donation. Online donation form also available: <https://bit.ly/3uF0DCv>

For the kids.
